

APPLICATION FOR FINANCIAL ASSISTANCE

INSTRUCTIONS

This application will provide a picture of your financial situation for consideration by Regis College for distributing fairly and equitably bursary funds. Students are responsible for the financing of their theological education, and should not expect that declared shortfalls in income will be covered by the college. For Canadian domestic students, the College is required to maintain documentation for provincially matched funds. In all cases, student need must be apparent. Please complete all sections in **Part A** and **Part B**.

CRITERIA FOR BURSARY AWARDS

Only students in recognized conjoint programs are eligible. Before completing this form students should have considered the possibilities of financial support from other resources (e.g. OSAP, external bursaries and scholarships, parents, spouse). In instances where funds contributed by Regis College are required to secure an external grant (e.g. Ontario Graduate Scholarship), any funds awarded by Regis College will be applied toward the matching requirement.

CONFIDENTIALITY

Access to the information in this form is restricted to the Awards Committee of Regis College, the College Comptroller and government auditors. The names of students receiving named awards are subject to publication by the College.

APPLICATION PROCESS

Please make a copy of your application for your own records. The completed form, in original, is to be sealed in an envelope, marked "Confidential," and addressed to the Registrar, Regis College.

DISTRIBUTION

The amount of scholarship/bursary is applied against the student's fees on ACORN. All outstanding tuition fees will be deducted from the amount and the remainder applied to current fees. Before the amount is credited to student accounts, students must input their Social Insurance Number (S.I.N.) on ACORN.

Scholarships/bursaries granted to D.Min. students will be applied to student's fees in two equal installments (in the Summer term and September term). For all other students, the amount will be applied to the student's fees in two equal installments (in the September term and January term).

APPLICATION DEADLINES

March 15	Last day for current students.
August 15	Last day for incoming new students.
November 15	Last day for incoming January students and for current student for undistributed funds.

Applications must be received by the end of business day in the Registrar's Office. Late applications will not be considered until the next round based on available funds.

Personal information is collected for the purpose of admission, registration, academic programs, university-related student activities, activities of student societies, safety, financial assistance and awards, graduation and university advancement, and reporting to the government. Your Personal Information will be protected at all times.

The Financial Need Assessment Form must be completed when submitting an application for an award that is fully or partly based on demonstration of financial need.

Need-based awards categorized as OSOTF (Ontario Student Opportunity Trust Fund) or OTSS (Ontario trust for Student Support) are only open to eligible applicants who:

- Demonstrate financial need;
- Are Canadian citizens, permanent residents of Canada, or protected persons at the time of the application; and
- Are residents of Ontario at the time of the application, as defined by one of the following criteria:
 - You have always lived in Ontario
 - Ontario is the last province you have lived for the last 12 months in a row without being a full-time post-secondary student
 - You live in Ontario now AND have lived in Canada for less than 12 months in a row.

If you are married/common-law, you can be considered an Ontario resident if:

- your spouse has always lived in Ontario; or
- your spouse has lived in Ontario for the last 12 months in a row without being a full-time postsecondary student; or
- **All** of these statements are true:
 - you now reside in Ontario;
 - you have lived in Canada for less than 12 months in a row; and
 - your spouse has lived in Canada for less than 12 months in a row.

If you qualify as a dependent student, you are considered an Ontario resident if:

- Ontario is the last province in which your parent(s) have lived in for at least 12 months in a row; or
- **All** of these statements are true:
 - you now reside in Ontario;
 - you have lived in Canada for less than 12 months in a row; and
 - your parent(s) have lived in Canada for less than 12 months in a row.

The above requirements are the guidelines established by OSAP to determine Ontario residency for OSAP purposes.

EXPECTED EXPENSES

The Financial Need Assessment Form serves to calculate your expected resources and expenses for the academic year (typically the months between September and August). The amounts in Column C will need to be calculated based on the number of months (usually 12) for which you will be registered in the academic year.

Financial need is normally demonstrated when a negative balance appears in the “TOTAL AVAILABLE RESOURCES” field on page 2 of the form (e.g., “Total Expected Expenses” is higher than “Total Expected Resources”). Showing a large positive balance in the “TOTAL AVAILABLE RESOURCES” field is not normally considered a demonstration of financial need unless extenuating circumstances are also reported (additional page for explanation may be submitted).

Please note that supporting documentation may be requested for all reported expenses.

Living Expenses

Choose which living situation applies to you and fill in the appropriate information.

Example #1: A single student who will be registered for twelve months, does not have children and is living in their parent’s home should:

- Choose Section 1 “Single/separated/divorced”
- Enter 12 months in Column B
- See the form calculate the amount for Column C ($\$627 \times 12 = \$7,524$)

Example #2: A student who will be registered for 12 months, has a partner and two children under 13, and doesn't live at home:

- Choose Section 2, "Partnered"
- Enter 12 months in Column B
- See the form calculate the amount for Column C ($\$2,850 \times 12 = \$34,200$)
- Enter "2" under "Number of dependents aged 0-12" and enter ages (e.g. "3, 11")
- Enter "2" in Column A "\$679 x ____"
- Enter 12 months in Column B
- See the form calculate the amount for Column C ($\$679 \times 2 \times 12 = \$16,296$)

Debt Servicing

If you will be paying monthly payments on loans/credit card while you are a student (mortgage payments are typically ineligible as an expense):

- Calculate 50% of your minimum monthly payments
- Enter the **monthly** amount into Column A (up to a max. of \$250/month)
- Enter the number of months in Column B that you will make payments in the academic year
- See the form calculate the amount for Column C ("A" x "B" = "C")

Medical/Dental

In this field, include Medical & Dental Costs that are not covered by [OHIP's](#), UTSU's, or UHIP's health plans. Annual fees for the [UTSU](#) or the [University Health Insurance Plan \(UHIP\)](#) are to be included under "Tuition & Other Fees".

Tuition & Other Fees

Please see the Tuition and Fee Schedules at <https://regiscollege.ca/admissions/tuition> for information on the current academic year's tuition and fees.

Books & Academic Supplies

Include the total cost of books, photocopying, supplies, equipment, thesis binding, etc. for the academic year. Provide **reasonable** academic related expenses. Regis reserves the right to adjust expenses based upon accepted reasonable amounts.

Food, Household Supplies, Clothing, Transportation, Cell and Internet

These costs are already calculated and included within the "Monthly Allowable Amounts" in Column A. The "Monthly Allowable Amounts" are based on provincially determined ([OSAP](#)) allowable claims.

Other

Include other necessary expenses you expect to incur (e.g. flying home to see parents, additional fees for GO Train commute). Supporting documentation (e.g. receipts from current year) may be requested for each item.

EXPECTED RESOURCES

Partner's income

If you chose a "Partnered" category under "Expected Expenses," enter 50% of your partner's income, after tax deduction, as stated on the previous year's tax return. To calculate, determine your partner's total annual income amount after taxes are deducted, and divide the amount by two (2).

Child support or government assistance/benefits

A look-up table on basic child support payments can be found through the [Ministry of the Attorney General's website](#). Income assistance services can be found through the [Government of Canada website](#). [Various Ontario benefits](#) also fit in this category.
