

APPLICATION FOR FINANCIAL AID

INSTRUCTIONS

This application will provide Regis College with information about your intended program of study and vocational interest, for consideration by the College when distributing funding awards which are not based upon financial need. Students are responsible for the financing of their theological education, and should not expect that declared shortfalls in income will be covered by the College. Different funds may have different eligibility criteria based upon legal status in Canada, religious affiliation, and vocational intention. If you are applying only for awards that are not based upon financial need, please complete all sections below. If you are applying for awards that are based on financial need, please complete the Financial Assistance form available [here](#).

CONFIDENTIALITY

Access to the information in this form is restricted to the Regis College Awards Committee, the College financial aid office staff, financial officers and auditors of the College and the University of Toronto, and, as required, by government auditors and regulation. Personal information will be protected at all times. The names of students receiving named awards are subject to publication by the College.

APPLICATION PROCESS

Please keep a copy of your application for your own records. The completed form, in original, can be emailed to regis.registrar@utoronto.ca, or uploaded in our application portal as part of your application to an academic program. If mailed, it is to be sealed in an envelope, marked "Confidential," and addressed to the Registrar, Regis College.

DISTRIBUTION

The amount of the award will be credited to your student account on ACORN. The College reserves the right to withhold awards if a student's financial account is in arrears. Before the amount is credited to student accounts, students must input their Social Insurance Number (S.I.N.) on ACORN.

Scholarships/bursaries granted to D.Min. students will be applied to student's fees in two equal installments (in the Summer term and September term). For all other students, the amount will be applied to the student's fees in two equal installments (in the September term and January term).
