REQUEST FOR RE-REGISTRATION AFTER 'FINCA'
and/or FOR LATE ENROLMENT/REGISTRATION

FINCA: Payment of fees usually takes at least 5 to 7 business days for the amount to be credited to the student's account. If fees are not credited to the student's account by a certain date (to be decided by the University of Toronto in each session), ACORN will automatically cancel all course enrolments as well as the registration status of the student in the session(s).

This form is for students to request for re-activating registration status and re-enrolling in course(s) owing to FINCA by ROSI, and/or for late enrolment into academic activities after the "last day to add". The student must:
- Submit $83 for late registration
  Payment Link: https://regis.app.neoncrm.com/np/clients/regis/eventRegistration.jsp?event=985&
- Pay any necessary charges as requested by the University of Toronto due to late registration

Upon approval, the student's record will be updated in ACORN by the Registrar's Office. For students who have been FINCA, only the same academic activities before FINCA via ACORN will be re-enrolled.

I am requesting **to have my record re-activated and to re-enrol in course(s) being FINCA by ROSI.**
to late-enrol in academic activity/activities as listed below.
