For Basic Degree students:

Carry 2 or more SDF's beyond the second Monday of a session: the student must reduce their current enrolment by the second Friday of the session to no more than five less the number of SDF grades.

Carry 5 SDF's: the student is not allowed to enrol in any current courses, and may seek permission from their Program Director to enrol in TSZ3333H (and pay tuition equivalent to one course plus incidental fees and UHIP, if applicable) to maintain their student status. In such cases, in order to document student status, the Dean will place a note in the student's file to indicate that they are completing remedial work.
