Host Your Event at Regis College | 2026

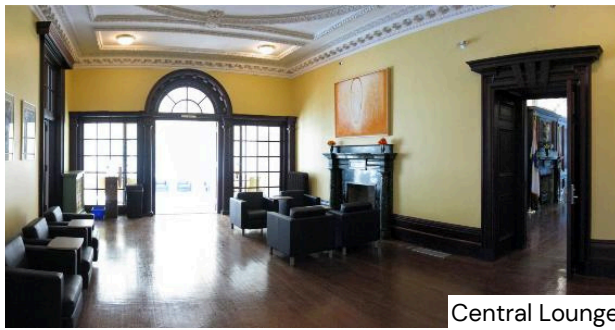

Regis College is comprised of two different buildings (the historic mansion of William M. Christie and Fontbonne Hall), connected together by a modern-style atrium. The historic mansion is a beautiful example of late Victorian style architecture, set prominently amongst other houses of that era along Queen's Park Crescent in Toronto.

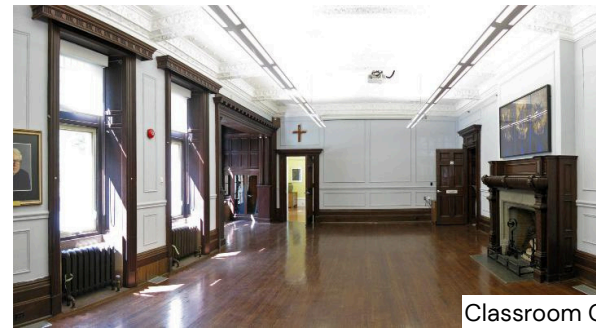

The main floor function rooms of the Goupil Foyer historic house feature the original grand hallway, library/study, parlor, ballroom, solarium, and dining room. These rooms are all available for booking for your meetings, special occasions, and events.
